

Buckinghamshire's LOCAL HERITAGE LIST

Buckinghamshire has a rich heritage. Many of our key sites and buildings benefit from statutory protection as listed buildings or scheduled monuments. However, locally-important heritage assets, which contribute positively to the character and identity of Buckinghamshire, often have little or no protection, and over time these special places can be lost.

The Local Heritage List Project aims to identify and celebrate some of these important heritage assets.

Can you help us?

You can help by:

- ◆ Nominating a building, site or feature to be considered for inclusion on the Local Heritage List
- ◆ Volunteering to assist us with survey and assessment work

Our Project Officer may also be able to help with additional information on how local groups, schools and Parish Councils can get more involved.
