March 2023

**Ref: A413 Buckingham
Road, Winslow.**

Dear neighbour,

IMPORTANT NOTICE OF UPCOMING EAST WEST RAIL WORKS

As part of the reopening of the line between Bicester and Bletchley/Milton Keynes, known as East West Rail Phase 2, we will be working on **Great Horwood Road** and **Buckingham Road, Winslow** from **Monday 3rd April** to **Friday 14th April 2023**.

This work is being carried out by the East West Rail Alliance on behalf of Network Rail, with every effort made to complete the works safely and efficiently, whilst minimising our impact on local residents and businesses.

In support of these works and to help protect the local community and our workforce, we will require temporary traffic lights on **Buckingham Road** and a closure on **Great Horwood Road**. This will allow us to complete as much of the remaining works in this area as possible, including fencing installation, the removal of the East West Rail Alliance access point and utility works.

Please note that traffic management will be cleared at the end of the working day on **Thursday 6th April** for the Easter Weekend and will be re-installed on **Tuesday 11th April 2023**.

Whilst Great Horwood Road is closed to the public, a diversionary route will be in place, as illustrated on the map overleaf. The closure is highlighted in red and the diversionary route is shown in blue. Please note, **we will maintain access to businesses and properties on Great Horwood Road** during this closure.

If you have any questions or concerns regarding these works, please contact publicinformation@ewralliance.co.uk or call our 24hr helpline on **03457 11 41 41**.

If you would like to be added to the distribution list for our quarterly project newsletter featuring all the latest news and progress from across the project, please contact publicinformation@ewralliance.co.uk.

Yours sincerely,

East West Rail Alliance
